MEMORANDUM FOR: Director of Logistics

ATTENTION: Chief, Real Estate and Construction  
Division/OL

FROM:

Director of Training and Education

SUBJECT: Request for Delegation of Contracting  
Authority - Upgrade of Electrical Power  
Capacity

1. This memorandum is a request for contracting authority to be delegated to [ ] for the execution and administration of a contract for the procurement and installation of power cables, power circuit reclosers, lightning arresters and power pole crossarms in order to upgrade station electrical power capacity from a 100 ampere to a 300 ampere service. The current working estimate for this project is \$70,000.

2. In pursuit of energy conservation objectives at [ ] a feasibility study on residential heat pumps versus existing oil-fired, hot-air furnaces was conducted. The study concluded that heat pump installations in the [ ] residences were entirely feasible and economically sound. Subsequently, heat pumps were installed in [ ] residences and they have performed up to and beyond our original expectations. [ ] would increase the energy conservation benefits it now receives if additional heat-pump units were installed [ ] houses, but this could only be accomplished by first upgrading the [ ] existing electrical power capacity.

3. It is recommended that the Director of Logistics delegate to [ ] authority to execute and administer a competitive bid contract in the amount not to exceed [ ] for the described work. The contract will be executed no later than
